Sedus se:air specification

► Swivel chair

Basic model	<ul style="list-style-type: none">- Seat and backrest covered with a knitted membrane, membrane/model/base colour in black, multifunctional armrests, Kinetic-Swing mechanism, gas spring, 5-star plastic base, hard castors in black- Other model colours: clear white (RAL 9016), ruby red (RAL 030 30 30), sage green (RAL 140 60 10), midnight blue (NCS S 7020-R90B)
Backrest	<ul style="list-style-type: none">- High, large-surface backrest, suitable for any body size- Back covered with a knitted membrane, wrinkle free, breathable, air- and moisture-permeable- Optionally lumbar height adjustment, colour is defined by the model colour
Armrests	<ul style="list-style-type: none">- 4D multifunctional armrests with height adjustment for tension relief in the shoulders and neck muscles- Rotatable and movable pad in depth and width with „floating“ effect without locking- Armrest support and armrest shaft colour depending on model colour- Armrest pad for model colour black available in black, for all other model colours in basalt grey
Mechanism	<ul style="list-style-type: none">- Automatic user weight recognition with smooth force transmission- A forward (5°) and slight sideways rocking action encourages ergonomically beneficial changes of position and dynamic working styles- Quick and intuitive adjustment using just two easily reachable control elements (height + lock). Further ergonomic adjustments are made automatically by the office chair- Support pressure of the backrest automatically adjusts to the user/body weight- Large backrest tilt angle of 18° enables maximum mobility- Backrest lock possible in furthest forward position: choice of „rigid“ or „mobile“ sitting position
Seat	<ul style="list-style-type: none">- Ergonomically shaped seat frame covered with a knitted membrane, suitable for any body size- Anatomically shaped seat surface with rounded front edge of seat- Seat inclination 4°
Seat height-adjustment	<ul style="list-style-type: none">- Stepless gas spring height adjustment, colour is defined by the base colour- Seat height adjustment: 420 - 550 mm
Base	<ul style="list-style-type: none">- Star base with 5 legs made of plastic, Ø 65 mm castors- Hard or soft castors at the customer's option, colour is defined by the base colour
Counter design	<ul style="list-style-type: none">- Footring with 19 mm wide surface area, height-adjustable from 300 to 500 mm, diameter of 500 mm- Footring and gas spring in black, footring finish in brushed aluminium- Aluminium base in black or clear white- Seat height 675 - 915 mm- Constantly braked castors for safe mounting with full mobility of the chair, always with soft covering for improved grip even on smooth floors, 65 mm diameter- Recommended for a user weight of up to 110 kg
	Footring
User weight	<ul style="list-style-type: none">- Recommended for user weights up to 130 kg
Standards / Certificates	<ul style="list-style-type: none">- GS label by TÜV Rheinland LGA Products GmbH / DIN EN 1335 / DIN 4573- Tested for harmful substances by TÜV Rheinland LGA Products GmbH- QUALITY OFFICE quality seal- GREENGUARD certified- All available certificates can be found at: https://www.sedus.com/en/products/chairs/seair
	
Warrenty	<ul style="list-style-type: none">- 5 years (see guarantee terms)
