General

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- 40/4: Slim Armchairs, Dining height, Barstools, Veneer (other than Walnut/Oak/Black Stained), Xtra, Lounge, Wood
- SixE: 4-leg on castors, Brace-linking, Barstools
- AS100 upholstered

For chairs with upholstery, the lead time starts being counted once fabric reaches the production line.

We recommend linking only for chrome frames.

Frame colours from RAL K5 colour card are available. For quantities < 200 chairs the colour fee is 2550 SEK per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impressions of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Stained veneer is possible with RAL colours from RAL K5 colour card. For quantities < 200 chairs the colour fee is 1160 SEK per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

We recommend only stacking chairs with chrome frame.

Veneer is a natural material - differences in structure and colour may occur.

Upholstered armrests are as standard in the same fabric/leather type and colour as the seat and the back.

Soft castors are recommended for hard floors, hard castors are recommended for soft floors.

40/4

Table surface protection protects the table surface when the chairs are hung up; it may be used only for non-linking chairs.

Please be aware that extra glides are not available for wooden frames.

40/4 can be stacked on a single, double, triple or quarto dolly. Double, triple, and quarto can only be used with hook/eye linking.

As standard chair top frame and its swivel base are of the same colour but be aware that they are always matched by the chrome gas lift.

Glides for linking side chairs; the whole set for one linking side chair comprises of one male glide and one female glide at the front part of the frame (reinforcing the linking in the front part of the chair frame) plus two regular glides at the rear part of the frame; whether these are glides with or without felt depends only on customer's needs.

Regular glides are suitable for non-linking side chairs, for all types of armchairs and for lounge chairs; the whole set comprises of four clear regular glides per chair.

Glides for barstool with both chrome and painted frames; the whole set comprises of four regular glides per chair.

SixE

Bag hook is recommended only for polypropylene backs.

General

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- Simpla: Trapezoidal
- Tutor: 1390 mm double table (for armchairs and swivel chairs), F200 black tabletop

In case of using any electrification, accessories, or making configurations, the lead time starts being counted once technical drawings are approved by the customer.

Linking is recommended to ensure strong connection and levelling. Please use for both temporary and lasting tables' arrangements.

Veneer is a natural material - differences in structure and colour may occur.

Linoleum is a natural material - the variation of colours may appear due to a natural phenomenon called "drying room yellowing". In such case, please expose the top to either natural or artificial light to allow the tint to disappear.

Crescent shape – the inside curve of top may be exchanged for straight edge, especially if Modesty panels are needed – ask Customer Service for details.

Table ranges are estimates, mostly for rectangular tops. For non-rectangular tables or questions for sizes outside of the ranges, please contact your local Customer Service (CS) representative. If chamfered edges are requested, minimum size increases - check with CS.

Moveo

Moveo linking for rectangular and V-shaped tables includes 4 brackets and 4 fittings. Moveo linking for half-round and half-boat tables includes 2 brackets and 2 fittings. This type of linking is available for tables with straight edges only. Another linking type is available for tables with chamfered edges. Here you also get 4 brackets and 4 fittings for rectangular and V-shape tables as well as 2 brackets and 2 fitting for half-round and half-boat tables.

All RAL colours from RAL K5 colour card available. For quantities < 20 tables the colour fee is 2780 SEK per RAL colour. For quantities ≥ 20 tables there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Simpla

Please note that Simpla linking does not need any pre-drills and may be ordered at any time as a separate accessory.

Please note that Modesty panels for Simpla are just hanged on the frame and may be ordered at any time as a separate accessory.

All RAL colours from RAL K5 colour card available. For quantities < 50 tables the colour fee is 2780 SEK per RAL colour. For quantities ≥ 50 tables there is no fee. General conditions of sales

Price list 2024 - SEK excl. V.A.T. - Version 1.1

General

These general conditions of sale and terms of delivery shall apply to all agreements concluded between HOWE A/S (hereinafter HOWE) and its customers (hereinafter the Buyer), unless otherwise specifically agreed in writing between the Parties.

Conclusion of agreements, etc.

An agreement has not been concluded until HOWE has accepted an offer made by the Buyer by issuing an order acknowledgement, an invoice or other such written agreement based on the terms and conditions specified in this document. All prices stated in price lists and catalogues include packaging, such as pallets and transport containers, and exclude taxes, VAT, and any other charges. HOWE reserves the right to adjust the prices stated without prior warning in case of an increase in the price of raw materials, production costs, transport costs, packaging, or other sudden changes in the cost level. All agreements are thus concluded on the basis of the prices in force at the time when the order is received.

The agreement basis is thus the information, including information relating to price, materials, qualities, etc., that is stated in the order acknowledgement, invoice, or other such agreement, since other information shall be deemed to be for guidance only and may be corrected up until but not later than the time when the agreement is concluded. Unless otherwise explicitly agreed in writing, the goods have been sold for normal, standard use for the intended purpose.

Payment, etc.

Payment terms are subject to credit insurance at Coface. In case a customer cannot be insured a prepayment, or a bank guarantee will be required. If credit payment terms can be granted, payment shall be made in accordance with the terms of payment stated on the invoice, which basically means that payment shall be made in cash not later than 30 days after the date of invoice ("net 30 days"), unless otherwise explicitly agreed. The Buyer shall not be entitled to withhold any part of his payment and cannot meet his obligations through offsetting or similar. If payment is delayed, HOWE shall be entitled to charge interest at 0.75 % per month or part thereof and depending on the circumstances HOWE shall also be entitled to fully or partially withhold subsequent deliveries, specify special terms of payment, or – if necessary – cancel agreements with the Buyer in question. HOWE is entitled to charge a fee of 110 SEK for each reminder on late payment. All invoices will be sent by e-mail. Invoices sent by paper will be added an invoice fee of 44 SEK.

Property reservation

HOWE shall retain property in all the goods stated in the order acknowledgement or other such written agreement until the full purchase sum has been paid. The Buyer shall keep the goods fully insured until such time as the purchase sum has been paid and during this period the Buyer shall be responsible towards HOWE for any all and any damage suffered by the goods. HOWE has the right to inspect the goods at any time.

Delivery

DELIVERY CHARGES

Unless otherwise agreed, delivery in EU, United Kingdom, Norway, and Switzerland shall be made to the Buyer's warehouse situated on the ground floor at no cost to the Buyer.

Standard deliveries are made between 8:00-18:00. If the warehouse has different opening hours, the information should be provided to HOWE when placing the order. Please note, the warehouse must be opened for a minimum of 4 hours continuously in the above-mentioned period.

Outside the EU, United Kingdom, Norway and Switzerland, Buyer is responsible for organizing collection of goods from HOWE warehouse on Buyers cost and risk. HOWE is responsible for loading the goods on the transport vehicle designated by Buyer and organizing export customs clearance. Buyer has 10 days from receiving information about goods availability for collection to arrange transport from HOWE warehouse. Later, a supplementary charge of 109 SEK per pallet shall be made per each started month, although with a minimum charge of 435 SEK per month or part thereof. The deadline for storing the goods in HOWE warehouse is 60 days. After this period, additionally to storage fee, a fine of 16 SEK for each day will be imposed.

On Buyer request, HOWE forwarder offers free of charge delivery notification or delivery date agreement by text message or email. If Buyer requests phone call to agree on delivery date with Forwarder, a supplementary fee of 163 SEK will be added.

For prepaid orders, if the payment is not done prior to the planned and confirmed time of dispatch, a supplementary charge of 109 SEK per pallet shall be made per each started month, although with a minimum charge of 435 SEK per month or part thereof. The deadline for storing the goods in HOWE warehouse is 60 days. After this period, additionally to storage fee, a fine of 16 SEK for each day will be imposed.

Additional Fees for deliveries that do not meet the above HOWE's delivery standards:

- For orders without fix delivery date but with short opening hours (less than 4 hours continuously or other delivery hours than 8:00-18:00 – 2720 SEK freight charge
- Orders below net 5440 SEK - 1088 SEK freight charge
- Fix delivery date to warehouse 5440 SEK fee
- Fix delivery date and 2 hour time slot: 5440 SEK + 1088 SEK for time slot fee
- delivery to Buyer directly (fill out template): 5440 SEK fee
- Delivery to customer's site 5440 SEK

If Buyer requests direct delivery to Buyer's site is obligated to fill "Direct delivery" form with all information necessary to organize dedicated transport.

BATTERIES' SHIPMENTS

OE batteries contain Lithium-Ion (Li-ion) cells which are classed as hazardous materials. As such they are individually packed in UN38.3 compliant packaging, including special Li Ion Battery Label. They should be kept in that packaging until they are either fitted in the furniture or get to the site for use.

If one consolidates the battery into an outer carton, it must remain in the box it is shipped to the person in inside the outer carton. The outer carton would then need to be marked with 'OVERPACK' word in English and the local language – the rules are even stricter for air freight - consult details with your freight forwarder (OE can supply UN38.3 certificates).

That is why at HOWE we:

- a) always place a separate order and use road shipments for batteries,
- b) strongly recommend shipping batteries directly to the end customer.

OE is experienced in shipping batteries to a number of international locations. Still, we strongly advise to state in advance to which country destination one is quoting for. On that basis we can confirm that battery export to the said country is allowed and possible.

In case the customer asks for the shipment to the warehouse, they must confirm the place is officially complying with all the regulations regarding storage and handling of dangerous goods which include:

- Staff training on dangerous goods handling – chargeable course required (renewable every couple of years) – also a DGSA must be appointed or trained,
- Being equipped with fire proof cabinet storage,
- Having Property owner and insurance authorisation.

ORDER CHANGES/AMENDMENTS

Buyer may request change of the delivery address to another facility that meets HOWE delivery requirements

If the change is made 8 days prior to shipment date it is free of charge

If the change is made within a week till shipment date, a change of 1088 SEK will be added to sales order

If the change is made after the shipment date, Buyer will need to cover all the extra costs incurred by the carrier, but not less than 1632 SEK.

Address change to another facility that meets HOWE requirements	Cost
within 8 days prior to agreed shipment date	Free of charge
The same week as shipment	1088 SEK
After shipment date	All extra cost but not less than 1632 SEK

Buyer may request postponement of shipment:

- If the change is made within 10 days from receiving order confirmation from HOWE it is free of charge
- If the change is made not later than 8 days before previously agreed shipment date a supplementary charge of 109 SEK per pallet shall be made per month or part thereof, although with a minimum charge of 435 SEK per month or part thereof. The fee will be calculated from the first day after original shipment date.
- No changes can be made afterwards

DAMAGES

Regardless of whether the Buyer is present at the time of the delivery, all risks in relation to the goods shall pass to the Buyer upon delivery to the agreed location.

Visible damages must be noted on the Forwarder's Consignment Note immediately on delivery. Damages are to be stated in detail. A written complaint must then be sent immediately within 7 days from receipt of the goods to us and to the Forwarder. Non-visible damages must be reported in writing within 7 days from receipt of goods to HOWE and to the Forwarder.

Any complaints submitted after this period will not be accepted.

Any deviation from the terms of delivery shall be deemed to constitute one joint deviation from the above, in which case the Buyer shall take over the risk in relation to the goods at the earlier time when the goods were collected or could have been collected in accordance with the agreement made.

HOWE's standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks. In case of large quantities and/or customized products delivery time will be determined on a case-to-case basis.

Fee and MOQ for non-standard choices

For any non-standard product there is a 5440 SEK fee. In most cases there is also a minimum order quantity (MOQ).

Buyers cancellation of contract

The Buyer shall be entitled to cancel the contract up until forty-eight (48) hours after the order confirmation has been issued, provided that the manufacture/dispatch/delivery of the goods has not yet commenced at this time, in return for a payment of 5% of the purchase sum and any extra loss incurred by HOWE as a consequence of the cancellation. In the event that more than five days have passed since the order confirmation was issued, the contract may only be cancelled until 4 (four)

weeks before confirmed shipment in return for payment of 50% of the purchase sum plus transport and administration costs and any extra loss incurred by HOWE as a consequence of the cancellation. Hereafter the contract cannot be cancelled.

Delays

The confirmed time of delivery is only an estimated deadline since HOWE shall be entitled to make changes to or temporarily postpone deliveries in order to be able to organise its goods deliveries and administration appropriately. HOWE cannot be held liable for any loss suffered by the Buyer as a result of a changed or postponed time of delivery. Furthermore, HOWE does not automatically offer loan furniture in these situations.

Deficiencies, etc.

HOWE shall only be liable for deficiencies in the goods sold if such deficiencies are the result of matters relating to the materials used or the craftsmanship applied. In particular, HOWE shall not be liable for matters resulting from wrong or abnormal use or storage, including in relation to climate and temperature conditions, or any other aspects related to HOWE's instructions.

When the risks in relation to the goods have passed to the Buyer, HOWE can only be held liable for faults and deficiencies to the extent specified in this provision.

The Buyer shall be obliged to carry out a detailed examination of the consignment immediately upon receipt. Complaints regarding deficiencies and/or visible transport damage which are – or should have been – discovered in this examination shall be written on the consignment note, which must be returned immediately, so as to inform HOWE at once. Any complaints regarding "non-visible" transport damage must reach HOWE not later than seven (7) days after the date of delivery and any complaints regarding any deficiencies ascertained must in each case be forwarded not later than seven (7) days after they were – or should have been – discovered. If the complaint is not made within these deadlines, the Buyer's access to advance claims in relation to any such deficiencies shall be forfeited.

A complaint shall be in writing and shall contain a specific description of the deficiencies with accompanying photo documentation or, alternatively, the deficient component/product shall be forwarded with the complaint.

In case of deficiencies for which HOWE is liable, the Buyer shall not be entitled to invoke any other rights than the right to have the goods replaced, which shall be done at no cost to the Buyer. In particular, the Buyer shall thus not be entitled to cancel the transaction or ask for a proportional rebate, compensation, or repayment, unless the deficiency ascertained is the result of gross negligence or intent on the part of HOWE. However, HOWE can under no circumstances be held liable for operating loss, loss of profit, time loss or other such indirect loss suffered by the Buyer.

The deficient goods belong to HOWE and shall be returned to HOWE upon request. Basically, the Buyer shall bear the costs and risk of such transport. Unless HOWE has explicitly undertaken to guarantee for the object sold for a longer period, HOWE shall under no circumstances be held liable for faults or deficiencies for which no written complaint has been sent within two years of the hand-over to the Buyer.

Product liability

The Buyer shall compensate and reimburse HOWE for all, and any compensation claims made by third parties on account of damage or injury for which HOWE is not liable towards the Buyer. HOWE shall be liable for damage or injury resulting from defective products in pursuance of the provisions of Act No. 371 of 7 June 1989 (the Danish Product Liability Act). Such liability cannot exceed DKK 50,000 and HOWE can under no circumstances be held liable for operating loss, loss of profit, time loss or any other such indirect loss. The Buyer shall immediately inform HOWE of any cases in which a third-party file a lawsuit or otherwise advances claims on account of damage or injury caused by products manufactured by HOWE.

Design alterations

HOWE reserves the right at all times to make such changes to product design, etc., as HOWE deems to be necessary. In such case, information about significant alterations shall be forwarded to the Buyer prior to delivery.

Invocation of rights

If HOWE fails to exercise or claim one of the rights enjoyed by HOWE under these general conditions, such failure shall not be deemed to constitute a waiver of such right on the part of HOWE. Likewise, such failure shall not prevent such right in being invoked or claimed at a later point in time.

Disputes, applicable law

Any dispute arising in connection with the performance of agreements in relation to these conditions of sale and terms of delivery, as well as any other matters relating thereto shall be decided by the Maritime and Commercial Court of Copenhagen. Any dispute shall be settled in accordance with Danish law, with the provisions of Act No. 237 of 28 March 2003 (the Danish Sale of Goods Act) to the extent said Act has not been deviated from in the above.

Be advised that HOWE A/S reserves the right to correct any printing errors, inaccuracies, or omissions.
