High-Quality Foam

All our cushions are made with high-quality foam ensuring that the cushion keeps its shape and offers a great sitting comfort.

QUICKDRY FOAM

A selection of our exterior cushions is available with QuickDry foam. QuickDry foam has an exceptional ability to drain water while circulating air, and therefore these cushions can withstand even heavy rainfall.

Fire-retardant foam & fabric

We also offer cushions with fire-retardant foam and we have two fabrics available in fire-retardant quality. They can be seen below.

Please be aware of additional delivery time and extra cost.
