Made using FSC® certified wood, supporting responsible environmental, social and economical management of the world's forests. Visit www.fsc.org

Material: Oiled wood, HR foam, polyester wadding, fabric upholstery.

 $\textbf{Fabric usage:} \ 2.5 \ \text{meters based on a 140cm roll.}$ 

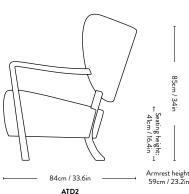

COM must be approved by &Tradition to ensure suitability for upholstery.

Wulff ATD2 is not available in leather.

Felt gliders installed as standard.

As with most natural materials, differences in structure, density and thickness are expected, as two pieces of sheepskin never look identical and tend to show natural variations in both curls and tones.

#### Material care & cleaning

We challenge convention to create products that rethink how we use materials and manufacturing techniques. We find beauty in products that can be created by the latest industrial processes as well as those that maintain techniques that have evolved over a long period of time. We strive for timeless beauty and quality that is made to last.

Find information about the materials and cariants used in the collection as well as guidelines for daily care, cleaning and maintenance through the link below: https://www.andtradition.com/maintenance-and-care
